

# Leopold Center for Sustainable Agriculture

## Marketing and Food Systems Initiative & Value Chain Partnerships Workshop

You're invited to join a dynamic information-packed event that includes farmers, educators, researchers and others who are interested in new market strategies for food, fiber and energy enterprises.

This event will feature short presentations by leaders of more than 25 projects funded by the Leopold Center's Marketing and Food Systems Initiative as well as working groups in the Value Chain Partnership project.

### Monday, March 30, 2009

### 8:30 am to 4:00 pm

Gateway Hotel and Conference Center  
Ames, Iowa

Registration opens at 7:30 am
