CONFERENCE/WORKSHOP SUPPORT FOR PRODUCERS

A limited number of sponsorships is available upon application for producers interested in attending grazing and forage related conferences and workshops. Applicants must be active producers with interest in forage-related enterprises. Limits: \$250/person/year. Application must have been received and approved by the Leopold Center at least 2 weeks prior to event. Payment is reimbursed with proof of registration and submission of evaluation sheet. Applications are reviewed on first come, first serve basis by selected Leopold staff and Grass Advisory members.

Your **application** must include:

1. Your name, mailing address with zip code, phone and/or email.
2. Conference or workshop title and dates that you wish to attend
3. Estimate of funds needed (limit is \$250)
4. Brief description of your operation
5. Tell us why you are interested in this particular conference.

Your **Reimbursement** for accepted applications is post-conference after we receive two things from you:

1. Proof of registration; and
2. A four question evaluation that answers the following:
 - ▶ What was the most relevant, useful information and/or activities of the event?
 - ▶ What wasn't included in this event that you would have found useful?
 - ▶ What if any changes will you make in your operation as a result of what you learned at this event?
 - ▶ Would you recommend this event to other producers?
